

Sharing Knowledge to Create Healthier Communities

Dear Colleagues and Partners,

It has been an exciting year of growth and exploration for [Healthy Northeast Ohio](#). We appreciate and recognize the continuous support provided by each of our partners, and look forward to further collaboration as we prepare for 2022.

In September, Healthy Northeast Ohio officially welcomed [Ashland County](#) to the web-based platform! We are excited to partner with Ashland County for continued collaboration in regional health improvement efforts. A county-specific webinar training took place in November to review website content and features. The Ashland County webinar recording is available [here](#) to be viewed and shared.

Sincerely,

The Healthy Northeast Ohio Team

WELCOME TO HEALTHY NEO ASHLAND COUNTY!
